Jimmy Alexander Cornejo Martinez

AI & Automation Project Manager · Webmaster · SEO / GEO / AEO Specialist

E-commerce, web design and organic search specialist focused on using AI to automate work that normally takes hours: visibility in search engines and answer engines (ChatGPT, Perplexity, Google AI), WhatsApp customer service and collections. I work with WordPress, n8n, voice agents and Claude Code.

EXPERIENCE

Cloud Jeans — AI & Automation Project Manager — 2026 Sep – Oct
cloudjeans.com.mx · Online store (e-commerce)

- **E-commerce website redesign:** responsive redesign and layout of the online store, built for mobile and conversion.
- **SEO automation:** on-page and technical audit and optimization of categories and products (titles, meta tags, schema, internal linking) through automated workflows.
- **GEO and AEO:** content and structure prepared to be cited by AI search engines and answer assistants.
- **Crawl files:** setup and maintenance of **llms.txt**, **robots.txt** and **sitemap.xml**.
- **Google Search Console indexing** managed with **Royal MCP** (WordPress) and **Claude skills**: sitemap submission, URL inspection and coverage tracking.
- **AI WhatsApp agent** (n8n + OpenAI) and **voice agent** (ElevenLabs, try it: +52 33 2101 7604) for sales, follow-up and collections.
